## **SMP CORPORATION IS CERTIFIED AS A MINORITY BUSINESS ENTERPRISE (Apr-9-2012)**

SMP Corporation receives certification from Georgia Minority Supplier Development Council, Covington, Georgia, April 9, 2012 - SMP Corporation is pleased to announce it has met the requirements for certification as a Minority Business Enterprise after undergoing a rigorous evaluation under National Supplier Development Council, Inc.® standards. The Minority Business Certification is another step for SMP Corporation and provides the company opportunities to expand its role as a leading plastic films supplier.

Many companies and organizations are looking for ways to increase their purchasing from minority suppliers.

SMP Corporation believes that as a 100% minority owned business it should get increased opportunities to fill the need. Last year SMP Corporation started working with Georgia Minority Supplier Development Council ([www.gmsdc.org](http://www.gmsdc.org)) to secure the certification ([http://www.smpcorps.com/GMSCD\\_Certificate.pdf](http://www.smpcorps.com/GMSCD_Certificate.pdf)). Georgia Minority Supplier Development Council is the premier organization in Georgia that works directly with minority business to help them get certified, network and expand their reach. The Georgia Minority Supplier Development Council's connection to the National Supplier Development Council, Inc.® provides a broad platform for minority suppliers to showcase their offerings.

SMP Corporation is a company with extensive experience in providing quality polyester and polypropylene films for use in industrial and packaging applications. The company is based near Atlanta, Georgia, and supplies films for corporations and organizations located worldwide.
