SMP Receives 2014 Best of Covington Award

Covington Award Program Honors the Achievement

COVINGTON September 10, 2014 -- SMP Corp has been selected for the 2014 Best of Covington Award in the Plastic Film & Sheet category by the Covington Award Program.

Each year, the Covington Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Covington area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2014 Covington Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Covington Award Program and data provided by third parties.
